Waterfall Journal Insert Template

1. Print both pages on cardstock
2. Make artwork on 6 cards 4.25” wide by 3.5” high
3. Cut out A and B along solid lines
4. Glue area C to area D
5. Fold down on dash lines
6. Glue top back of each artwork cards 1-5 to A with top edge of artwork at the fold line
7. Glue bottom back of artwork card 6 to A with bottom edge at the edge bottom edge of A
8. Fold B under A so that the top of artwork 1 is a the top of the assembly
9. Glue only Tabs E and F to journal page so that the the pull tab is bridged underneath and moves smoothly when pulled, flipping each artwork 1-5 as you pull down.
